TREASURER: DR. MOHAMMED WASEEM S MBBS,MS(general surgery)

ABOUT US

This Alumini association was convened for the sole purpose of uplifting and reciprocating the blessings which we as students have cherished for our home institution Sree Balaji medical college and hospital. Our relationship with our alma mater does not stop when we left our institution, there are immense evidences to prove our gratitude and this Alumini association is a hallmark of our gratitude.

The association was started in 2009 when the first batch left the collage immortals (2003 – 2004) batch. We have a meeting every year on the 2nd Sunday of December where the Alumini students meet and cherish their memories. We also plan to provide our alma mater as a token of appreciation a small renovation or upgradation of the available resources.

The office bearers hold their position for a period of 3 years. They are unanimously elected by a voting process which is held during our annual convention.

By the blessings of the almighty we have successfully forged the union of many great minds and personalities of our esteemed institution. We hope to carry it forward every year as more young doctors are being added into the society.
